

Simple Cost Effective Expansion

Space EX is designed for businesses that are already enjoying the benefits of Space or Space Echo, but are looking for some extra storage capacity. It's an easy and cost-effective expansion solution, a simple install, and there's no downtime to hold up your schedule.

Sometimes the thought of copying data off and back on to a workspace to increase storage can be at best a bit annoying and at worst time consuming, especially when you have a deadline to hit. The great thing about Space EX is that you just attach it and it builds away in the background without affecting your work or your schedule.

The Detail

- Add up to five Space EX units to expand your Space capacity to 288TB per RAID controller.
- Connectivity: High speed SAS connectivity.
- Add one or more units using an extra RAID card in the Space to significantly improve performance.
- Expansion licence included.
- No downtime background expansion.
- Scalable: Available in building blocks of 16TB, 32TB and 48TB.

Tech Spec

- Unit Dimensions - 490mm x 700mm x 3U
- Carton Dimensions - 680mm x 870mm x 390mm
- Unit Weight - 36.2Kg Shipping weight 51.2Kg
- Input Range 100 - 240 VAC, 50-60Hz
- Power Requirements @ Standby 33W
Requirements @ Full load 350W
- PSU Safety / EMC - USA-UL listed, Canada-CUL listed, Germany-TUV Certified, EN60950/IEC 60950-Compliant, CB Report, CCC Certification 80 PLUS gold certified
- Operating Temperature Range 10 - 35C, Non Operating range -40 - 70C
- Operating Humidity Range 8 -90% non-condensing
- Non Operating Humidity Range 5 - 95% non-condensing
- 3U rack mount form factor (round and square Rack mounts included)
- Sixteen 'hot swap' high performance 3.5" enterprise class drive units
- Can be used to improve the performance of Space units
- RAID 6 operation for ultimate data protection
- Dual redundant 1200W removable PSUs
- Easy to administer
- Up to 5 Space EX units may be connected to a single Space or Space Echo
- 1 year advanced replacement warranty on PSUs and drives
- 1 year return to base warranty on other parts
